

Name	: Dummy-F001	Collected	: 22/3/2018 7:34:00AM
Lab No.	: LPLT12358	Age: 28 Years	Gender: Female
A/c Status	: P	Ref By : -----	Report Status :
		Received	: 22/3/2018 3:59:43PM
		Reported	: 26/3/2018 1:35:03PM

Test Name	Results	Units	Bio. Ref. Interval
AFP (ALPHA FETOPROTEIN), TUMOR MARKER, SERUM (CMIA)		ng/mL	<10.00

Note

1. This test is not recommended to screen cancers in the general population.
2. False negative/positive results are observed in patients receiving mouse monoclonal antibodies for diagnosis or therapy.
3. Use of AFP as a tumor marker is not recommended in pregnant females.
4. AFP values regardless of levels should not be interpreted as absolute evidence for the presence or absence of disease. All values should be correlated with clinical findings and results of other investigations.

Clinical Use

- Useful for determining prognosis and monitoring therapy for Hepatocellular carcinoma. Level of AFP is a prognostic indicator of survival. Elevated AFP and serum bilirubin levels in these patients is associated with shorter survival time.
- An aid in the management of Germ cell (Non-Seminomatous) tumors. Measurement of AFP levels in combination with HCG levels are useful in classifying and staging Germ cell tumors
- To predict tumor recurrence/presence of residual tumor

Increased Levels

- Germ cell (Non-Seminomatous) tumors
- Primary hepatocellular carcinoma (70%)
- Teratocarcinoma
- Gastrointestinal tract cancers with or without liver metastasis
- Benign hepatic conditions like Acute Viral Hepatitis, Chronic active hepatitis and Cirrhosis
- Ataxia telangiectasia
- Hereditary tyrosinemia

IMPORTANT INSTRUCTIONS

*Test results released pertain to the specimen submitted.*All test results are dependent on the quality of the sample received by the Laboratory .
*Laboratory investigations are only a tool to facilitate in arriving at a diagnosis and should be clinically correlated by the Referring Physician .*Sample repeats are accepted on request of Referring Physician within 7 days post reporting.*Report delivery may be delayed due to unforeseen circumstances. Inconvenience is regretted.*Certain tests may require further testing at additional cost for derivation of exact value. Kindly submit request within 72 hours post reporting.*Test results may show interlaboratory variations.*The Courts/Forum at Delhi shall have exclusive jurisdiction in all disputes/claims concerning the test(s) & or results of test(s).*Test results are not valid for medico legal purposes. *Contact customer care Tel No. +91-11-39885050 for all queries related to test results.
