Financial Highlights

Revenues

All figures in Rs mn

- Q2 FY17 revenues increased 22% on the basis of improved volumes and benefit of better realizations;

- 13.6% higher sample volumes in Q2 was the result of:
 - Better than expected uptrend due to seasonal fevers
 - ✓ Volume and revenue increase stood at 2% and 3% respectively on account of such fevers
 - Growth in patient walk-ins across regions and build-up in network business
- Realization/patient increased from Rs 699 in Q2 FY17 to Rs 654 in Q2 FY16 given the price revision taken earlier during the year in Delhi NCR and some other markets

Financial results of the Company are best monitored on a year to date basis, as there is a certain level of seasonality in business and specific quarter performance may be influenced by certain occurrences in that quarter

- EBITDA (excl ESOP) stood 38% higher with corresponding EBITDA Margins at 30.4% during Q2 FY17
 - This EBITDA growth was favourably impacted by seasonal fevers, price increase and operating leverage

Financial Highlights

All figures in Rs mn

- PBT (excl ESOP + Excp Item) growth during Q2 FY17 stood at 42%
 - Margins were at 25.9%
- PAT during Q2 FY17 is not comparable on YoY basis due to ESOP charge taken in Q2 FY16

Commenting on the results announcement, Dr. Arvind Lal - Chairman and Managing Director said; "We delivered solid second quarter financial results driven by our passion to be pioneers in the diagnostic space and provide the highest quality of services to our patients. Thus our underlying initiatives towards this end have translated in notable progress across our key focus area. Our team is dedicated on creating innovative diagnostic tools, expanding our reach and accessibility across new and existing markets and growing LPL's brand awareness.

We are confident that our positive momentum will continue and believe we are well positioned to achieve future growth as we execute on our strategic initiatives."

Commenting on the results announcement, Dr. Om Manchanda, CEO - Dr Lal PathLabs said; "Our commitment to cater to our patients more efficiently through best-in-class services, anchored our progress during the quarter. A healthy growth led by brand expansion and increased accessibility, has translated into better volume growth. LPL experienced a relatively higher than expected uptick in volumes and value in Q2 on account of the outbreak of seasonal fevers, however we anticipate volumes to normalize in the ensuing weeks. With superior quality and diverse range of tests, scale in operations and improved realizations, our performance endorses the successful implementation of our business strategies.

We are well on track with our new regional reference labs at Lucknow & Kolkata which will further strengthening our operations. For the remainder of the year, we are confident in our ability to sharpen our business focus and execute on the tremendous opportunities which lie ahead of us.."
